

A Day Away

You give so much...

Do you bring Communion to the elderly or homebound?

Do you visit the sick and lonely?

Do you work for the common good?

You're invited to a day of prayer, renewal and community building for Befrienders, pastoral care, social concerns and outreach ministers at St. Martin's.

Our facilitator will be Mary Ann Figlino, SJ. Sr. Mary Ann is a nationally known author, speaker and scripture scholar. She currently works with women making the transition from prison back to society.
